

Integrations-Kommission

der Gemeinde Freigericht

for diversity and one
equal coexistence

We, the Integration Commission of the Freigericht community, consist of a group of volunteers who represent the interests of people with a migrant background in the Freigericht community. Together with the mayor and representatives of the parliamentary groups, we are committed to equal coexistence in Freigericht.

We advise the community committees on questions and topics that concern integration and life in Freigericht as a Freigerichtsmann with foreign roots.

In particular, we help all people who may need more support due to their origins. Of course, we are also the contact for all Freigericht citizens when it comes to migration and integration.

We are committed to breaking down mutual prejudices in the Freigericht community.
